Who may enter?

The WYS Recreational Cup is ONLY open to recreational Boys and Girls teams U-11 through U-19 comprised of properly registered youth players affiliated with WYS Member Associations, and playing in a WYS sanctioned league. U.S. Youth Soccer defines "recreational" by stating: "the use of tryouts, invitations, recruiting or any like process to roster players selectively to any team on the basis of talent or any ability is prohibited."

You must enter the age group of the oldest player on your roster. Most WYS Associations are using the year of birth guidelines for registration. If your Association is using the old system of "school year", then you will be playing up an age bracket than what you are playing in your league.

If your team is playing in a competitive league (NPSL, RCL) you are not eligible for this tournament.

See Recreational Cup Rules for further eligibility restrictions.

Recreational Cup rules are available on the WYS website
