

**North County Youth Soccer Association
Annual Report 1999- Spring 2022**

Respectfully submitted by James Calvert, President

NCYSA and Washington Youth Soccer have gone through many changes since our last report. And even though we are no longer required to submit this document to WYS it was time to put into words how our program is working today, in 2022. We currently have 7222 players. Registration is coming back for all our clubs and association after nearly two (2) years of program closures due to the COVID-19 Pandemic in 2020, 2021. And though we are still working in that environment we are moving forward to get back to normal conditions. NCYSA clubs continue to offer opportunities for players ages 3 through 18.

Our clubs offer a wide range of playing opportunities for our membership with our fall and spring leagues. Eleven of our clubs continue to inter-tie in the Fall recreational league with teams from South Whidbey, Snohomish, and Skagit; providing our organization with a strong level of competition for those players. Clubs offering players the opportunity to play at a higher level of competition are Washington Rush (RCL-Premier); Rush Select, Irish, Everett, PSA and Mukilteo (NPSL-Select).

After cancellation of the 2020 recreational spring league we held a later season in 2021 with 139 teams, and back to normal schedule in 2022 (April-May) we had 153 teams.

We continue to host 2-3 Goalkeeper Clinics free of charge to our memberships in August and September each year. Since 2019 we have purchased and offered free of charge to our clubs Youth Soccer 101 Coaching Plans, sent weekly through the Fall Season.

We had many successful teams in the WYS state tournaments:

Referee recruitment and re-certification continues to be a major objective of NCYSA as it is throughout Washington. Entry level clinics are offered throughout spring, summer and fall.
