2020 Fall Rec. Season:

James reviewed previous discussions on whether we would be able to hold a fall rec. season. If we do agree to go forward with a 6 week season it will not take long to produce a schedule.

There is a draft policy from the Governor's office that addresses opening up soccer for games and full practices under Phase 2. There is no official movement yet, but expected any day.

James asked each club still planning on a season what the status is for their club:

Everett-Lost 2 coaches and some players; concerns that if we go any longer will lose more.

Irish-Have 1 team but do need a few more players.

Silver Lake-Have lost several coaches and was still missing a few. Not sure on viability of all teams for numbers.

Have concerns re fields for younger kids.

Sky River-Have 1 coach waffling but still in, most teams are just at minimum numbers. Biggest concern is if we can't start on Oct 10, not sure if fields will hold up late in Nov.

Sno King-Holding ok, have confirmed fields with Lynnwood HS.

Overall everyone would like to see a season.

Sandy added that everyone should review WYS website for their updated return to play guidelines.

After further discussion agreement was to cancel the regular season, if, no official notification came out from Governor's office by 5:00 pm October 2, 2020. Naomi will send notification after 5pm.

Further discussion, should we cancel, on whether some clubs may want to provide some sort of competition between teams/clubs. We will add this to the agenda for regular Board Meeting October 6th.

Meeting adjourned 7:40 pm
